

## Almond Joy Culture

**Taboo:** Never use your left arm or left hand

**Greeting:** Cross the arms nod and say 'Ah-Hah'

**Attitude towards your culture:** You are very arrogant and overly proud of your culture. Your culture is the best. Everything you do is amazing. You are very concerned with status, occupation, and how much money you make.

**Attitude towards other cultures:** you think any culture that is not yours is uncivilized. You look down on others and if they are different from you, they are wrong.

**When talking:** Always stand very close to anyone you talk to.

## Starburst Culture

**Taboo:** never communicate without touching

**Greeting:** touch shoulders together and bend at the knee, say 'Greetings'

**Attitude towards your culture:** You are very humble. You love your culture, but you understand that others are different from you. You are concerned with the welfare of all people

**Attitude towards other cultures:** You are very accepting of other cultures. You are intrigued by them and want to learn their ways.

**When talking:** hold the person's elbow or make some sort of polite contact

## Twix Culture

**Taboo:** never use your left arm or left hand

**Greeting:** gently touch the other person on their shoulder and say 'Hallooooo!'

**Attitude towards your culture:** Your culture is the best. You get angry at the idea that other people are different than you. You are offended easily, especially when people ask you about your occupation. That does not define you!

**Attitude towards other cultures:** You are completely unaccepting of other cultures. You are judgmental and mean.

**When talking:** Speak Loudly

## Hersey Culture

**Taboo:** never touch others and don't let others touch you

**Greeting:** double wink and say 'Hey-Hey-Hey'

**Attitude towards your culture:** You live in a culture that honors traditional occupations like farming. You are very negative about everything!

**Attitude towards other cultures:** You find other cultures funny and strange. You are a little uncomfortable by things that are different than you.

**When talking:** always keep a good distance away (more than an arm's length)

## Snickers Culture

**Taboo:** DO NOT MAKE EYE CONTACT!

**Greeting:** shake hands with the right hand only, bow and say 'Greetings'

**Attitude towards your culture:** You do not like to converse with others. Your culture does not allow you to talk about yourself and you are very closed off to other people.

**Attitude towards other cultures:** You don't understand why other cultures are so interactive. You feel awkward when people ask you about yourself.

**When talking:** Always look down and avoid eye contact

## MilkyWay Culture

**Taboo:** No negativity!! You are very appreciative and grateful and everything is beautiful to you!

**Greeting:** shake hands with the left hand only, say 'Honored to meet you!'

**Attitude towards your culture:** Your culture is only focused on the positives in life and you are not allowed to be negative or judgmental. You love everything and everybody all the time.

**Attitude towards other cultures:** You are very accepting of other cultures, but you do not like it when other cultures are negative. You try to change their perspective to be more positive! 😊

**When talking:** Always compliment the person you are speaking to.
