Blue = Example

Green = Explanation

D. Using the chart shown, select a country of origin and explain ONE reason why refugees have left the country

d. Afghanistan has been recently affected by political push factors. For example, in August of 2021 Afghanistan's government crumbled as the Taliban took over the entire country. Under the new regime, the Taliban, people are in fear of their lives that the Taliban will persecute them for not following Islamic law. In response to this event, hundreds of thousands of Afghan nationals have left the country and are now seeking asylum in countries like the United States, England, and Canada.
